Time to plan for your new green home!

In addition to our upcoming demonstration green projects, Make My House Green Enterprises Homes and Development Division builds signature custom green homes for clients. Please fill out and submit this no obligation questionnaire, and we will contact you about the possibility of building your dream home. MMHG looks forward to meeting your challenges with the latest cutting edge design, state of the art systems and sustainable, efficient construction. MMHG has become a distinguished building company and we look forward to exceeding your expectations

Privacy Statement: MMHG-BDC will not share or sell your personal information with any non-related third parties. The information you submit will only be used for coordination with our suppliers, sub contractors and industry associates. Your contact information will not be sold, posted or passed forth to any advertising agency or other inappropriate organizations of that nature. Any private information, such as financial situations and private affairs will be held confidential by MMHG. This data is collected purely for the enhancement of our working relation and the ultimate outcome of your project.
